your money and you take your choice. — Ask for New York Telegram. NEWARK PASSENGER RAILWAY CO. The Jully Man. Long life to the jolly man. Wherever and he goes there flits a breeze or sparkles a unbeam, or, behold! the refreshment of insist upon having i a shower that turns the withered com-monplace of life green as an April Tis sold everywhere, meadow. I have no patience with that etiquette that forbits hearty laughter.
As well reprove a lark for singing when the sun is rising. I have no patience, either, with the crackle of thorny laughter under the bubbling pot of meaning-

A PRINCELY LUNCH. The Mas of Millions Who Had "Some from a bobolink's sunlit spray of morning melody.—Chicago Herald Jones and Smith happened to meet at the same table in a restaurant.

"Do you dine at this place often" was performed in St. Mary's hospital at "Quite often," said Smith. "It is who had his left foot badly crushed at "Quite often," said Smith. "It is moderate in price, at least for the common dishes, the cooking is excellent, the service good, and everything is clean."

"It is pretty well patronized, too," observed Jones. "A good many merchants and board of trade men come here for their meals."

"Yes. What are you going to order?"

"I think I'll take a porterhouse steak, a glass of claret and a podding or some thing of that kind. A man on a salary can't afford a swell dismor."

That's a fact. We've got to curb our appetics." I'm going to try veal cutlets, breaded. A few venetables an eventable as a complete the period of the six new pieces are growing nicely, and in a short ime Anderson will have a skin all over his injured foot.—Portland Oregonian.

Astoria. The patient was Ole Anderson, who had his left foot bedly crushed at the jetty. The skin from the ankle down the sale of the foot for the space of four or five inches square was torn off and the fesh left exposed. From the leg of Anderson several strips were taken, but not enough to cover the space necessary. Another patient offered to lend Anderson will have a skin all over pieces are growing nicely, and in a short time Anderson will have a skin all over his injured foot.—Portland Oregonian.

That's a fact. We've got to curb our appetics." I'm going to try veal cutlets, breaded. A few venetables are considered in price of the six new pieces are growing nicely, and in a short time Anderson will have a skin all over his injured foot.—Portland Oregonian.

The skin from the ankle down to be left designs of Wall Paper Over 600 styles to select from.

Sexultees And Department of styles, Decane Of the perfect fit of our garments of styles, Because Of the perfect fit of our garments.

lost, but looking at the western sun he said. There is just time to recover the day! and giving out his orders with rapid and characteristic energy, he turned defeat into victory. So although your sun is near to setting there is time to recover the day. Avail yourself of the eventide lest your life end fit eternal failure.—William M. Taylor.

That paper that was published in Boston 200 years ago did not have a war correspondent, but it managed to print in the latter part of September an account of the expedition against Canada that occurred two months before. In those days a newspaper man had a good chance of dying before he was caught in the latter part of September an account of the expedition against Canada that occurred two months before. In those days a newspaper man had a good chance of dying before he was caught in the latter part of September an account of the expedition against Canada that occurred two months before. In those days a newspaper man had a good chance of dying before he was caught in the latter part of September an account of the expedition against Canada that occurred two months before. In those days a newspaper man had a good chance of dying before he was caught in the latter part of September an account of the expedition against Canada that occurred two months before. In the steel maiden.

Intent the door on the right was closed in a similar mainer, whereupon he would receive another complement of spikes, the closing of the door, as before, being done very slowly that the torture of the person in the embrace of the 'maiden' might be as prolonged as possible. Death did not come until the last spike was driven through a hole in the door into the heart of the victim. Taken from the "mathen's" embrace he was ground to mince meat and thrown into the inter as food for the flahes.—St. Louis Republic.

Hints far Vegetarians.

We were talking about good dinners at the club one night, and one of the party regaled us with a story about an elaborate meat he had had at the home of a vegetarian. Their the doctor broke in and said:

"It is all very well for vegetarians to "Telephone he would receive another complement of spikes, the closing of the door, as before, being done very slowly that the torture of the person in the embrace of the maiden might be as possible.

Many of the stereotyped mortuary traditions are passing away, and seven the receive person in the embrace of the stereotyped mortuary traditions are passing away, and seven the receive person in the embrace of the stereotyped mortuary traditions are passing away, and seven the received and said such a remarkable are placed are no longer the somber things they one were.
